ABOUT SCNP

SCNP was founded in Copenhagen in 1959, and has since been a major player in research, innovation and education related to medical psychiatric treatment in the Nordic countries: Denmark , Sweden, Norway, Iceland and Finland. Many notable observations and studies has been carried out by the SCNP and its members, e.g. the discovery and development of the first SSRI antidepressants.

Today SCNP and its journal, ' **Acta Neuropsychiatrica** ' , continues these proud traditions. You are invited to join ...!
