o The Diagnostic Properties Of Intraoperative Ultrasound In Glioma Surgery And Factors Associated With Gross Total Tumor Resection
Bodil Karoline Ravn Munkvold
o Benign External Hydrocephalus Misdiagnosed As Shaken Baby Syndrome – SBS
Knut Wester
o Surgery Causes Glioblastoma; A Case Report
Øystein Vesterli Tveiten
o Percutaneous Treatment Of Trigeminal Neuralgia - Technical Aspects
Haldor Slettebø
- 10:10-10:30 Kaffepause med utstilling
- 10:30-11:30 **Vilhelm Magnus-symposium: Pediatric neurosurgery**
Moderator: **Frode Kolstad** og Ulrikke Straume Wiig
- 10:30-10:45 Intracystic treatment of Chranioopharyngeomas-an update - **Johan Cappelen**
- 10:45-11:00 Minimally invasive treatment for craniosynostosis (with emphasis on unicoronal and complex/ syndromal conditions) - **Bernt Due-Tønnessen**
- 11:00-11:15 ICH in neonates - **Ruby Mahesparan**
- 11:15-11:30 MMC-closure of defects - **Kristin Sjøvik**
- 11:30-12:30 Lunsj med besøk i utstillingen
- 12:30-13:15 **Katrin Rabie** - Moderator: Frode Kolstad
- 13:15-13:30 Kaffepause med utstilling
- 13:30-14:15 **James Rutka** - Moderator: Ruby Mahesparan
- 14:15-14:45 Kaffepause med utstilling
- 14:45-15:30 **4 beste abstracts** - Moderator: Jens Munch-Ellingsen og Ruby Mahesparan
o Assessment Of Drainage Techniques For Evacuation Of Chronic Subdural Hematoma: A Consecutive Population-based Comparative Cohort Study
Kristin Sjøvik
o A Clinical Protocol Using High-Throughput Drug Screening To Target Glioma Stem Cells In Recurrent Glioblastoma
Erlend Skaga
o Comparing Cost-effectiveness Of Arthroplasty With Fusion In Treatment For One Level Cervical Radiculopathy- A Multicentre Randomized Controlled Trial
Oddrun Fredriksli
o Genetics Of Benign And Malignant Vestibular Schwannoma
Aril Løge Håvik
- 15:30-16:20 **Frie foredrag** - Moderator: Mads Aarhus og Oddrun Fredriksli
o The Direction Of Growth In Glioblastoma
Ole Solheim
o Patients' Beliefs About Diagnosis And Treatment Of Degenerative Cervical Spondylosis
Clemens Weber
o Ventriculosubgaleal Shunt In The Premature Population, A Single-institution Experienc
Ulrikke Straume Wiig
o Et 5-års Materiale For Epilepsikirurgi På Barn
Arild Egge
o Pediatric Medulloblastoma And Supratentorial PNET - Outcome Following Treatment At Oslo University Hospital (1974--2013) And Lessons Learned
Radek Fric
- 16:20 **Praktisk informasjon**
- 18:30 Buss fra Bjørvika Konferansesenter til Holmenkollen skiarena
Fordrink og omvisning på skimusset med besøk i hopptårnet
