Dear ENT colleagues in Denmark, Finland, Iceland, Norway and Sweden

The Nordic Association of Otolaryngology would like to welcome you to Reykjavik, Iceland on June 10-13 2020 for the triennial Nordic ENT congress (www.orl2020.is).

We have gathered a group of international faculty of high standard from all the Nordic countries as well as highly acclaimed speakers from USA, South Africa, UK and Canada.

There will be a wide range of topics with sessions in three parallel tracks on rhinology, skull base surgery, ear surgery, eustachian tube dilation, audiology, vestibulology, head and neck surgery, trans oral robotic surgery, laryngology, dysphagia, facial fractures, obstructive sleep apnea and ENT infections.

We also offer the attendees the chance to sign up for a [pre-congress workshops](#) on

- Computer aided maxillofacial reconstruction
- Transnasal esophagoscopy (TNE)
- Office based laryngology
- How to improve your Endoscopic Sinus Surgery practice

Take notice that there are a limited number of places in the workshops and they will be allocated on a first come first serve basis.

If you have a research project you want to share with your colleagues or want to give a presentation on a specific topic, please [submit an abstract](#) for either a poster or an oral presentation.

Looking forward to seeing you,

Einar Hjaltsted, chairman of the Organizing Committee
