

20 YEARS OF TRAUMA AND EMERGENCY RADIOLOGY

NORDICFORUM www.nordictraumarad.com
TRAUMA & EMERGENCY RADIOLOGY

NORDTER has organized trauma and emergency radiology courses for 20 years. Our focus is on sharing knowledge of basic and advanced trauma and emergency imaging.

Join us in Helsinki, Finland, for another exciting 3.5 days program of state-of-the-art trauma imaging with our renowned international speakers.

Please note that the course is organized COVID permitting.

Welcome to Helsinki for the 11th Nordic Course in Trauma Radiology from Monday 9th to Thursday 12th of May 2022!

On behalf of NORDTER

Mari Nummela

- Interactive Q&A sessions

SPECIAL FOCUS SESSION

Mass casualties – plan ahead, be prepared

PRE-COURSE
TRAUMA RADIOLOGY WORKSHOP
ON SUNDAY, MAY 8TH

NORDICFORUM www.nordictraumarad.com
TRAUMA & EMERGENCY RADIOLOGY

11th Nordic Course in Trauma Radiology focuses on providing essential knowledge in blunt and penetrating trauma imaging. The educational content serves both as an introductory and a refresher course. Daily interactive Q&A case sessions will summarize the lectures and further enhance learning.

Preliminary program and full speaker list will be available on our website

nordictraumarad.com as the registration opens in December 2021. Please note, that full COVID-19 vaccination is required from all attendees.

Pre-course Trauma Radiology Workshop is held on Sunday May 8th (fee 200 EUR).

Workshop seats are limited and available only for Nordic Course participants.
